### Facility Cleanliness

RCRC Facilities  
Policy No. 14022

Revision Date: October 21, 2013  
Last Revised: January 24, 2011

#### Policy Statement

Richland County Recreation Commission has established certain rules and procedures to ensure facility cleanliness.

#### Guidance:

1. Each staff member is required to clean up whatever dirt or mud he/she might track in from the outside.
2. Employees and patrons should be courteous - should you spill something, please clean up the spill.
3. Participants in arts, crafts, and ceramics should sweep up whatever materials that might collect on the floor.
4. Each staff member is required to clean up spills, pick up litter and empty trash cans when needed to insure each park facility is in a safe, clean condition at all times.
