Pool Cleaning Standards

Aquatics
Policy No. 3020

Revision Date: November 18, 2013
Last Revised: January 24, 2011

Policy Statement

This policy outlines maintenance items for Richland County Recreation Commission pools to ensure their proper operation and minimize pool closings related to maintenance issues.

1. Check pumps to make sure they are working properly.
2. Sweep and clean out bathrooms, office, pump room and storage room.
3. Blow off pool deck and remove all loose debris.

Est. time: 4 hours

4. Patch areas on pool deck. (Do not start pool pump motors until debris has been removed from main drain grates.)
5. Make repairs to broken and cracked tiles inside of pool on an as needed basis.
6. Patch surface of pool with the appropriate patch for swimming pool surface repair.
7. Make sure all skimmers are clean and free of all debris.
8. Paint depth markers on inside wall of pool as needed.
9. Secure all handrails leading into pool as needed.

Est. time: 2 days

10. Paint diving board stand and lifeguard stands.
11. Paint pool building, restrooms, office and outside of building as needed.

Est. time: 2 days

12. Pressure wash pool deck, let dry.
13. Paint pool deck, (Hopkins Only) let dry.
14. Paint "No Diving" sign around top of pool.
15. Install all pool signage.
16. Before pool opens, install diving board and ladders as requested.

Est. time: 2 days
