LETTER FROM THE EXECUTIVE DIRECTOR

We are pleased to present our Annual Operating Budget for Fiscal Year 2020 (“The Budget”) of the Richland County Recreation Commission. Our recommendations are based on direction provided years of recreation experience of the new leadership as well as a thorough review of our current financial status, revenue trends, economic data, and the vision for increasing the level of customer service excellence while maintaining our focus on keeping Richland County an affordable option for our citizens.

The budget includes:

- Properly allocating responsibility to leadership and management through the restructuring and reorganization of our organizational structure
- Increasing the number of part time employees to properly staff our facilities and special events in order to provide exceptional experiences at all of our recreational experiences.
- Implementation of a capital improvement plan that will help maintain and repair facilities and spaces that have become dilapidated and below standard

Budget Process and Overview:

Overview

The Fiscal Year 2020 Budget process was refined through an update of the Commission’s budget structure which has been presented monthly at our Board meetings by our new Chief Financial Officer (CFO). The CFO’s exceptional experience coupled with the Executive Director’s many years of recreation experience, leadership and vision has helped to provide transparency to the budget process and ensure the proper allocation of funds. These changes will help propel the agency forward.

Budget Process

The budget process was designed to produce a document that is an operational guide representing the Commission’s budget priorities and allocation of resources. In order to achieve this objective, the budget process focuses on division budgeting by line-item budgeting. Accordingly, the Finance Department analyzed the Commissions spending needs and calculated target budgets for each division.

The process began with the distribution of budget templates to each division. In addition, budget presentations were given to Commission personnel by the Finance Department. The budget presentations provided Commission staff with key information about the elements of budgeting and the budget process as well as assisted each division in developing budget recommendations for FY 2020.

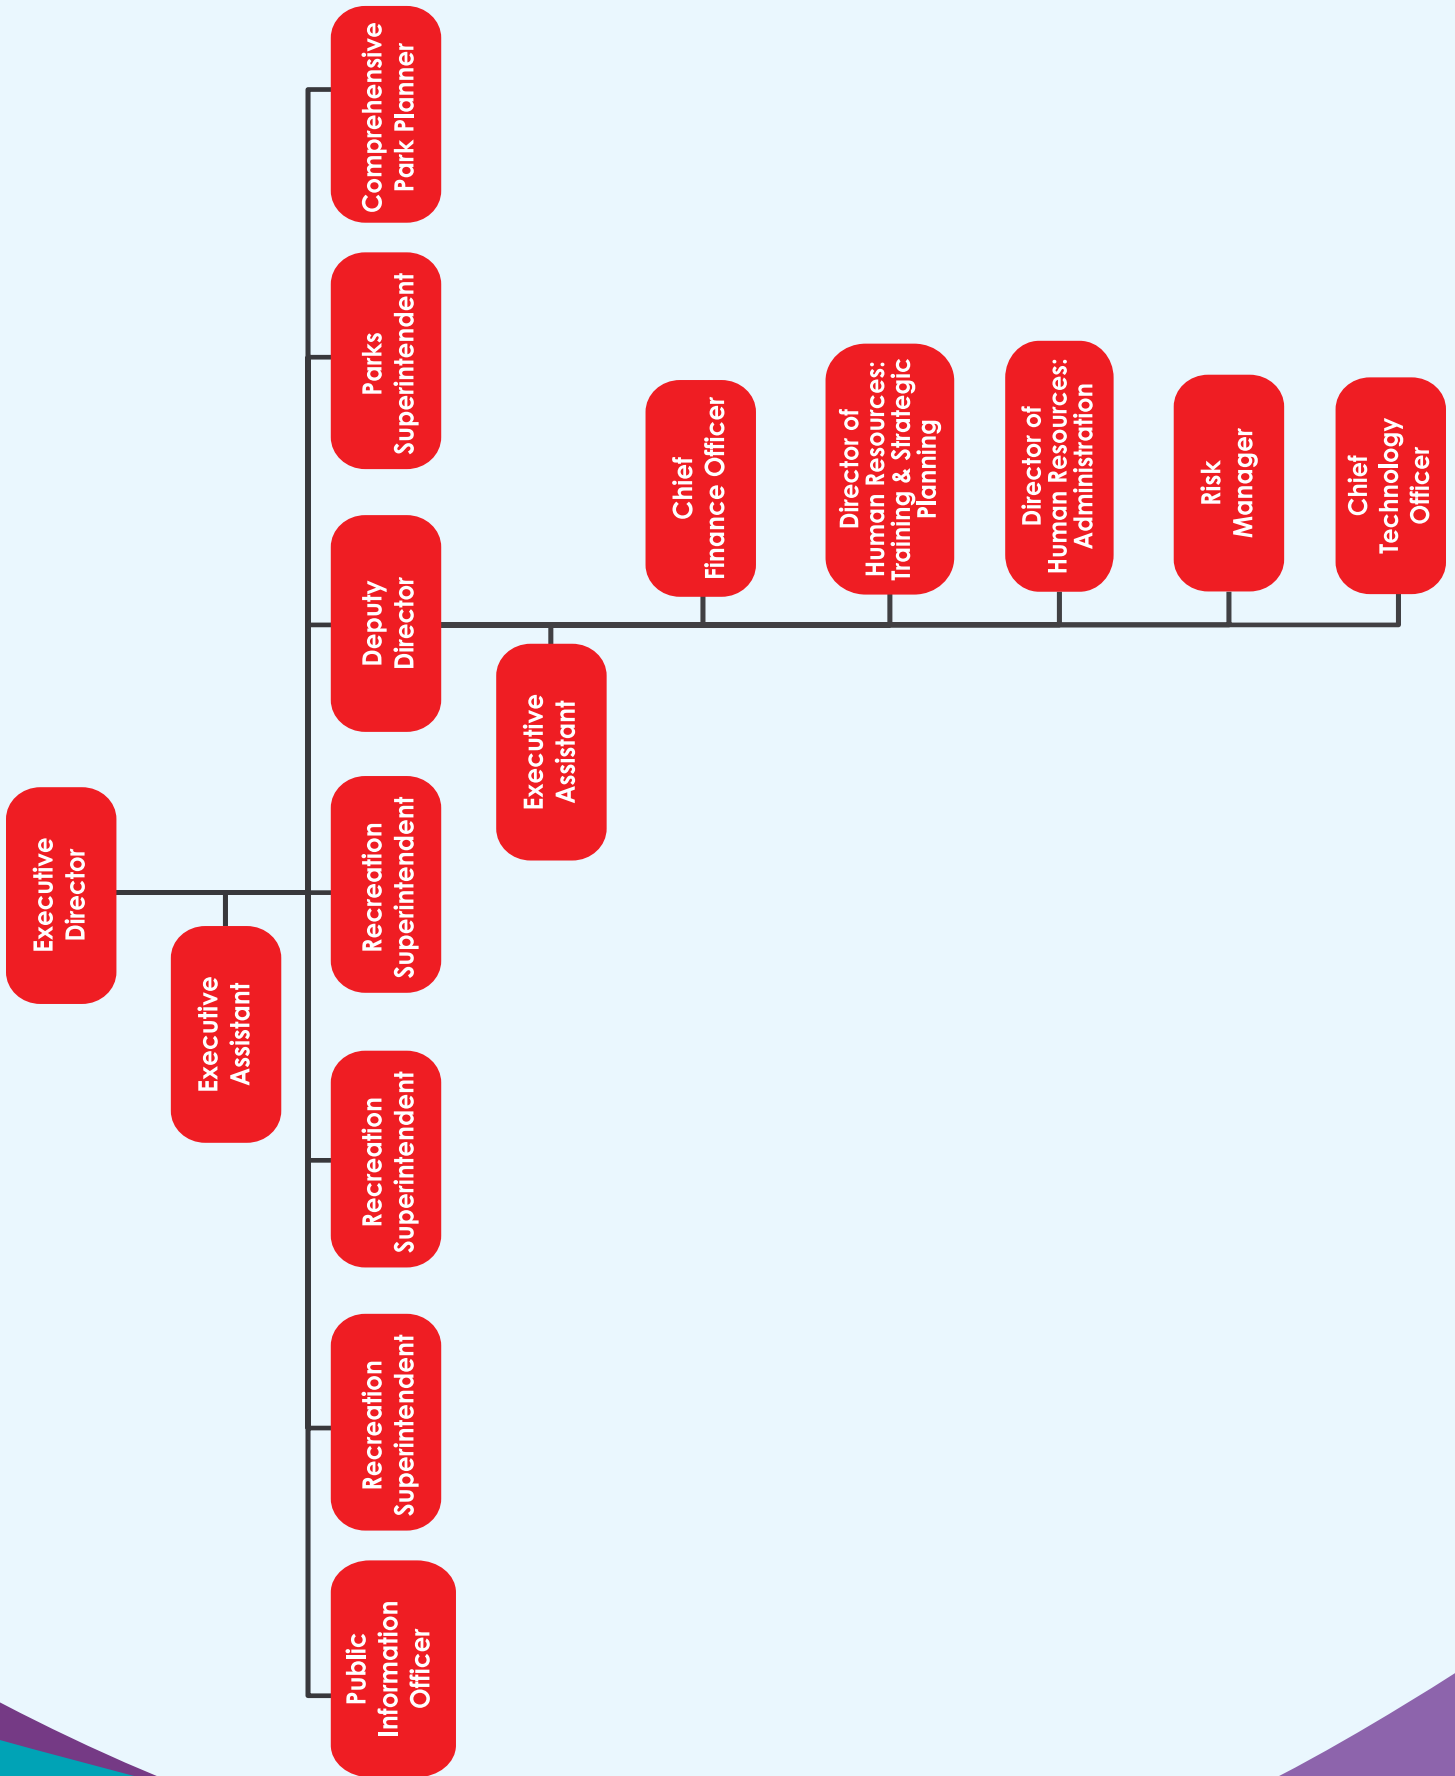

In April, each division submitted FY 2020 budget recommendations. A review meeting was held with senior management to review the current budgeted position and direction was provided to staff for any changes that needed to be made or reviewed. Once all revisions and reviews were completed, the budget was presented to the Board of Commissioners during the April Commission meeting. The Commission approved budget was sent to the Richland County Council.

The Commission’s budget goes through three budget ordinance readings at scheduled Richland County Council meetings. A public hearing is also held where Richland County citizens are invited to make comments for or against the ordinance.

The third budget ordinance hearing is for final approval. Once the budget is approved, final budget books are printed and distributed to senior management and is published to the Commission’s website. The new budget takes effect July 1st.

ADMINISTRATIVE DIVISION

ADMINISTRATIVE DIVISION

DIVISION OVERVIEW

The Administrative Division consists of the office of our Executive Director, Finance and Human Resources. This division keeps the agency running forward at a steady pace with vision and the surge necessary to help develop recreation professionals. With fresh ideas for a healthy agency, this division is the driving force for a vibrant future. New policies and procedures are created and processed through this division. This division seeks out staff and trainings that will help keep the agency alive, healthy and vibrant.

CORE RESPONSIBILITIES

The Administrative Division oversees central operations, plans, organizes, and directs the administrative, finance and procurement activities of the Commission. This includes, but is not limited to, budget preparation and maintenance, forecasting and monitoring through financial analysis. The division also plans and oversees the use of financial resources based on operational and strategic planning direction and coordinating strategic issues with Richland County Recreation Commission Board members. Finally, this division provides procurement management to include coordinating request for proposals, bid submissions and contract administration.

FISCAL YEAR 2018-2019 ACCOMPLISHMENTS

- Initiated four-phase reorganization and restructuring of Commission
- Completed job assessment tool to assist in properly defining job descriptions and management levels, as well as, establishing an equitable compensation structure based upon national trends and other peer agencies
- Provided health fair along with open enrollment for health benefits in order to educate employees on the importance of good health and to provide employees with a greater understanding of benefits offered
- Implemented new accounting software to enhance financial accountability and transparency and ensure proper allocation of Commission resources

COMMUNITY RELATIONS DIVISION

COMMUNITY RELATIONS DIVISION

DIVISION OVERVIEW

The Community Relations Division consists of the office of our Public Information Officer, Community Relations and Outreach, Special Events, Marketing and Information Technology, Departments. In addition, the division provides support for the Richland County Recreation Foundation. This division is integral to the Commission as it ensures that information is correctly distributed to our internal and external communities.

CORE RESPONSIBILITIES

The Community Relations Division oversees the promotion of Commission parks and recreation centers activities and events to include the production of flyers, brochures, videos, or press releases. The Division also has the responsibility of designing and maintaining the Commission's website, planning county wide special events and coordinating volunteer projects. This division also acts as liaison with other departments, agencies and municipalities for special projects and public information issues. Lastly, the division provides information technology support including hardware, software and technical support and software training using the Commission's Technology Centers.

FISCAL YEAR 2018-2019 ACCOMPLISHMENTS

- Increased social media, print media and television presence
- 42% increase in special events for citizens
- Installed new copier machines to minimize production time and reduce supply expenditures
- Decreased response time to citizen inquiries, complaints and concerns.
- Supported 42 individual and group volunteer projects and streamlined the volunteer intake process
- Increased fundraising for Richland County Recreation Foundation in order to increase amount of scholarship revenues provided to Commission
- Implemented and completed successful advertising campaign to assist in the rebranding of the Commission
- Developed training plan for employees to receive software training while utilizing Technology Center staff

PROPERTY MANAGEMENT DIVISION

PROPERTY MANAGEMENT DIVISION

DIVISION OVERVIEW

The Property Management Division consists of Maintenance and Repair, Horticulture & Turf, Fleet Management and Custodial Services Departments. Through hard work and dedication, these departments ensure that the Commission's facilities are well maintained and properly cared for. This division maintains all of the Commission's 72 buildings located on our sites throughout the county. As our agency continues to grow, the Commission is committed to improving and renovating the facilities it currently owns. For Fiscal Year 2019-2020 several capital improvement projects have been identified at a number of parks and recreation facilities. Some of these capital improvement projects include the resurfacing of soccer fields, Technology Center remodel and tennis center and aquatic upgrades.

FISCAL YEAR 2018-2019 ACCOMPLISHMENTS

- Successfully completed over 1,800 requests for maintenance repairs
- Installed 3 new scoreboards at Blythewood Park
- Replaced HVAC units at several Commission facilities
- Roof Replacement at Trenholm Park

RECREATION DIVISION

RECREATION DIVISION

DIVISION OVERVIEW

The Division of Recreation utilizes a variety of resources including parks, recreation centers, trained staff, and the environment to offer a diverse number of recreation programs and events, along with sports and fitness opportunities at an affordable price. A full schedule of year-round youth and adult sports programs are offered. It is critical that the Commission offers recreation and fitness services to everyone in our community to ensure that all citizens have the chance to connect with others, learn a skill, participate in healthy lifestyle programs and learn about the county in which we live. This Division provides a valuable asset to the public and enhances the quality of life for Richland County citizens.

CORE RESPONSIBILITIES

The Division of Recreation manages all Commission facilities including swimming pools, athletic fields, and recreation centers. Staff members within this Division are available to offer swim lessons, sports lessons and athletic clinics. This Division also provides summer camps and after-school programs at a free or reduced rate to Richland County citizens. Recreational classes provided include fitness classes, senior programs, artistic expression and environmental learning. Adaptive Recreation classes are also provided to ensure all of our citizens can participate in recreational programs according to their ability. The Division continues to develop partnerships with other area recreation providers, local businesses for sponsorship, and community groups. The Division is continually searching and assessing new program opportunities, and different activities for adults, families, seniors, and citizens with special needs to ensure the Commission is meeting the needs of the citizens of Richland County.

FISCAL YEAR 2018-2019 ACCOMPLISHMENTS

- Instituted five free summer camps
- Held pro-style football clinics
- Offered free senior exercise programs
- Hosted the South Carolina winter basketball tournaments
- Provided community sports, athletics and outdoor recreation
- Provided several Adaptive Recreation Programs designed to enhance mobility skills, boost self-esteem and confidence in individuals with special needs
